I've Learned

I've learned that no matter what happens, how bad it seems today, life does go on, and it will be better tomorrow. I've learned that you can tell a lot about a person by the way he/she handles four things: a rainy day, the elderly, lost luggage, and tangled Christmas tree lights. I've learned that making a 'living' is not the same as making a 'life'. I've learned that life sometimes gives you a second chance. I've learned that you shouldn't go through life with a catcher's mitt on both hands...you need to be able to throw something back sometimes. I've learned that if you pursue happiness, it will elude you but, if you focus on your family, your friends, the needs of others, your work, doing the very best you can, and GOD happiness will find you.

I've learned that whenever I decide something with an open heart, I usually make the right decision. I've learned that even when I have pains, I don't have to be one. I've learned that every day you should reach out and touch someone. People love that human touch...holding hands, a warm hug, or just a friendly pat on the back. I've learned that I still have a lot to learn.
